“We want to thank you for all your hard work
with our daughter last year. We can’t believe the
books she is reading and understanding and
WANTING TO READ! Her year at BT Founda-
tions Academy was our life raft!”

Mr. and Mrs. P.M.

“Before I came, I was always nervous and it was
hard to make friends. Now I have lots of friends
and I’m not as nervous as I used to be.”

C.H., student

“The patient and professional staff made all the
difference in our son’s life. He graduated with a
full high school diploma this year.”

Mr. and Mrs. G.H.

INSTRUCTION

at

B

T

F

A

in

INDIVIDUAL

Students improve through *individual* instruction in reading, writing and math using methods that match learning styles for 2-3 hours per day

in

INTENSE

Frequency and *intensity* make a significant difference in rate and retention of learning. Students may attend 3 to 5 days a week

in

INTEGRATED

Skills taught are *integrated* into other subjects for carryover and practice to develop automaticity, fluency and access to the core curriculum

Foundations Academy Can Help

- Does your child learn best one-to-one?
- Do anxiety and frustration prevent learning?
- Has your child been diagnosed with a learning disability, attention problem, or experience significant social challenges?
- Is your child "getting through the curriculum" without really learning?

OUR GOAL is to build the

FOUNDATIONS and ACADEMIC SKILLS necessary to achieve SUCCESS in mainstream education

Foundations

Strengthening foundational skills, such as memory, processing speed, logic and reasoning, language, auditory processing, sensory integration and attention, makes learning easier and more efficient. Students participate in specialized programs to develop these cognitive skills, which may include speech therapy and occupational therapy.

Academics

1:1 intensive instruction remediates reading, spelling, writing, language, and math challenges. It builds the skills necessary for school success. A variety of methods are offered to match learning needs. Courses such as science and history, are *accredited*. Instruction may include online programs, printed text and projects.

Success

Success comes from social, emotional and academic achievement. Students develop confidence in their abilities to learn, build friendships, and advocate for themselves. Guided practice with support prepares students to become efficient, independent learners, confident enough to take risks, and ready for mainstream classes.

ONE YEAR CAN MAKE A DIFFERENCE IN
YOUR CHILD'S LIFE!

Foundations Academy is a division of
Banyan Tree Educational Services,
a private, 501(c)(3) nonprofit organization.
