

FIT BRAINS LEARN BETTER

Participate in our ***Introductory Individualized Program*** this summer! For the price of **ONE** license fee, your child can complete up to **THREE** programs within the next year. For example, as a student completes games within a program, he can automatically begin working on games in the next program, keeping up the challenge and the **FUN!**

Call now to see if Fast ForWord Language, Reading, or the new Reading Assistant Fluency program is right for your child!
