**NEW DATE!!**

If your child is struggling in school, dislikes school, or feels frustrated with homework, please join us for our **Spring Open House and Parent Information Night** to learn how to help.

At this informative event, you will have a chance to learn the reasons children struggle in school and how to turn that around. Just a few of the ways we can help may include:

- AST-C - a new comprehension program
- CORE Learning Skills Program
- AcademicCamp - a Group + 1:1 1/2 day program
- Fast ForWord for Reading - Options for the FF products

Visit with parents and students who have found success at Banyan Tree. Meet our teachers, enjoy refreshments, and best of all, discover how your child can overcome the pain and frustration of learning.

Parents are often curious about our curriculum, methods, and remedial programs. This is a chance to see what we do and how we do it. You will discover the "recipe" that has helped hundreds of students since 1996, when Banyan Tree first opened.

This event will be held in both the Mira Mesa office and the Point Loma offices. So decide which is closest for you to attend and RSVP as soon as possible. We look forward to seeing you !

Sincerely,

Nanci Engle, Director and Laura Johnson, Assistant Director
